WHY GABRIOLA ISLAND?

Sometimes we need to step away to gain new perspective. A short, easy commute from Vancouver Island, other Gulf Islands or B.C.'s mainland, Gabriola, with its spectacular natural beauty and welcoming community, offers a chance to slow down, refocus and

recreate. Whether you are searching for a quiet meeting space to talk and create, or opportunities to come together through outdoor activity, our conference and retreat property offers a space for meaningful team building and unforgettable memory-making.

ARTS & CULTURE

- Known as the "Isle of the Arts", Gabriola is home to more than two hundred artisans. Numerous galleries are open to the public year-round.
- Home to the highly anticipated annual Thanksgiving Studio Tour. Plus live music, theatre, outdoor markets and festivals to enjoy.
- For a unique team building experience, try taking a class together! From yoga and drawing and painting workshops to the lost art of cheese-making and cider tasting.

ISLAND ACTIVITIES

- Take a hike on one of the nearby trails, or walk the shores of beautiful Drumbeg Provincial Park.
- Head out on the water for some world-class salmon fishing with a local charter, or immerse yourself with a scuba dive to explore majestic local reefs.
- Rent a mountain bike and tour the local galleries, restaurants and shops.
- Enjoy a round of golf on Gabriola's challenging course.

SUPER NATURAL

- With its temperate climate, beautiful beaches and dense forests, Gabriola is the perfect place to relax and reset.
- Explore the natural wonder of the Malaspina Galleries. This rock formation, eroded by surf and frost over time, creates the illusion of walking under a stone wave.
- Walk through an old-growth forest or kayak peacefully through a protected bay.

GETTING HERE

- Gabriola offers you a quick escape from the hectic pace of an urban setting, and a multitude of opportunities to unwind.
- Only 20 minutes from Nanaimo by ferry.
- Only 12 minutes from Vancouver by floatplane.

MEETINGS ON THE WATER

Spectacular, peaceful and remote - the Meeting Room is the perfect setting to elevate your corporate retreat and energize your team members. Not only will your meeting overlook the spectacular views of the Flat Top Islands and the Mainland's coastal mountains surrounding Silva Bay, but with kayaking, fishing charters, and beachcombing adventures on your doorstep, your retreat can move to the ocean itself.

Bring your own food and beverage arrangements or take advantage of our quality catering services provided by Woodfire Restaurant here on Gabriola Island. Using only the freshest quality ingredients, sourced as locally as possible, Woodfire will tailor a menu to suit your needs and your budget, offering unlimited culinary possibilities to suit your needs.
